This was the balance **after camp** which was offered by 2010 SASA President Min. Enoch Yane to 2011 President Mr. Stanley Teine at Kundiawa Town.

However, there were some debts incurred at the campsite which amounted up to K600.00.

Amount of K200 from the balance has been paid off by 2011 President. This implies that a debt of K400 is brought forward to 2011 SASA's account rather no balance is being carried forward.

That is all about 2011 Financial Report from National SASA Acting Treasure.

Treasurer's special acknowledgement

My indeed special thanks to all the sub-ASA's Youth groups, and individuals who contributed one way or the other towards the success of the 22nd convention. If someone did not sell coffee candies, scones, etc which involved time and labor, the 22nd convention would not be a success. Above all thanks to our ever good God for making every thing possible through one and all. We have reached the lost souls at Nondgugl. Of the opinion that there is a star laid in Heaven which will be placed on our crowns which will bring a perpetual joy because we have sold candy, scones etc for saving one which was lost. You all deserve deluge of gratitude.

Other pour of gratitude to those Pioneers and Sasa Professionals who contributed in cash or kind towards the utter success of the 22nd convention by supporting sub-asas who came from various institutions. Those pioneers who physically present at the camp site incubated the SASAS offspring to push forward in their spiritual journey in Christ because they have significantly contributed parental presence there. Above all, all praises and honor is rendered to the awesome Lord of all Lords and King of all kings who is coming Savior of the world.
